

Minutes  
June 16, 2006  
Outer Banks Transportation Task Force  
Multi-Use Paths

In attendance:

Kermit Skinner  
Seth Lawless  
Jack Mc Combs  
Bill Brobst  
Jason Weeks  
Megan Gregory

Discussion of Goals & Objectives:

- a) implementation
- b) safety – debris on bridges
- c) harassment

Rules & Regulations:

- a) mailing to residents to be drafted by Jack Mc Combs and will eventually go to our local TMA
- b) also include pedestrians in the mailing

Existing & Proposed Facilities

- a) Currituck to connect present multi use path – have received right of way from contractor & developer
- b) Include rest stops – water, restrooms, bench, shade
- c) Colington not to be forgotten – obtain occupancy projections from Colington Island
- d) DOT standards to be implemented on secondary roads as well as state roads
- e) Map of Outer Banks with existing and proposed paths

Recommendations from Outer Banks Transportation Task Force of what to do with our Goals and Objectives now that they are complete any further recommendations.
