Discussion and Decisions

Jody convened the meeting at 8:40 am.

Minutes from the previous meeting were approved without objection.

Jody reported on the results of the recent bicycle and pedestrian committee meeting. Jack reported a few shortfalls in map data from Southern Shores and Currituck County.

Cheryl addressed Kitty Hawk's decision not to adopt the Task Force's draft resolutions to create a separate RPO and comprehensive transportation plan for this area.

Jody introduced study data generated by the Visitor's Bureau indicating a high level of tourist support and intended use for a trolley system costing \$1 per day.

Cheryl did a run-through of the February 15 PowerPoint Transportation Task Force presentation to the task force. Task Force members provided comments and feedback orally and by email.

Next scheduled meeting for the Task Force is February 22.

The meeting adjourned without objection.
